

Parent & Guardian Photo & Image Use Policy

Created:	December 2025
Agreed by Governing body & re-adopted:	To be formally adopted Feb 2026
Signed:	
Review:	November 2027

Everybody has the right to privacy.

You should only ever share or post on social media or other sites photos/images shared with you by school that are of:

YOUR CHILD ONLY.

You do not have the right to post photos or images of other children.

Please be respectful of the rights of other parents, guardians and pupils and do not share their photos or images with anyone else.

In the event that school receives a complaint from a parent or guardian about the unauthorised sharing of pictures/images of their child, then after investigation school reserves the right to remove access to the DOJO facility or any other picture sharing platform that school uses.
